The Peninsula

half mile wide, and is being rapidly improved, and there are many fine cothat have been erected during the past tages and several good hotels, an pavilion and a large casino,

A Remarkable Feature

at Daytona has been the yearly improvement in the style and value of the buildings that are being erected those securing homes in the South, for homes. Men of capital of the North and West have become awakened to its advantages for winter residences, and valuable lots are being purchased and costly houses, beautiful in design and finish, are being erectin design and finish, are being erected, and beautiful homes, the abodes ed, and beautiful homes, the abodes of wealth and culture are multiplying. Seabreeze (City Beautiful) and Goodall are settlements on the Ocean side of the peninsula across the Hall-

fax River from Daytona. At the foot of Ocean Boulevard, Seabreeze, a pier reaches 600 feet across the beach into the swelling surf of the ocean. This pier is a favorite resort of those who delight ir the sport of fishing. The surf here abounds in trout, pompano, yellowtail, cavalle, whiting, drum, which is derived from numerous sheepshead and many other varieties flowing wells, of which there are prob- of edible fish. During the fall season ably to o in the corporate limits. This the famous sea bass affords royal flow is secured by boring wells to the sport, and it has been no uncommon occurrence to land a thousand pounds through several strata of rock, and of this gamey fish in an afternoon, surface contamination. The water is fifteen to thirty-five pounds in weight. splendid sport but the Halifax River. only half a mile back of the ocean, is equally famous for its fine fishing. and the varieties that abound in the ocean are present in the river.
